### Property Description:

A beach house in its purest sense.

Take a compact 2BR house, add a great swimming pool that backs onto about 30 miles of gorgeous beach frontage and enjoy the best that Phuket has to offer.

The home was remodelled to a very usable and rentable property where life is enjoyed outdoors, and the beach is your backyard.

The property has a gated, private entrance with parking for 2 cars and a low maintenance, stylish garden. The owner is a London based Architectural and landscape design firm and it shows.

The property is only 100m from lovely, boutique Aleenta resort with its excellent restaurant and spa and is only 20 minutes from Phukets airport to the South and Blue Canyon Golf Club, arguably Thailand's best.

The area, Natai beach is now the Hamptons of Phuket and this is without doubt the best value privately owned oceanfront house in Phuket.

The House is also available for rent, so consider coming down to Phuket a for a long weekend or a week, and test drive what could be your own idyllic beach house, an ultimate escape.
